

Internal Lender Underwriting Guidelines

Purpose

These guidelines provide standardized criteria for evaluating residential mortgage applications for conforming and government-backed loan products.

Borrower Eligibility

- Minimum credit score: 620 for conventional loans unless compensating factors apply.
- Borrower must demonstrate stable income history of at least 24 months.
- Employment verification required via W-2, pay stubs, or tax returns.

Property Requirements

- Property must be owner-occupied unless specifically approved for investment lending.
- Property appraisal must be conducted by an approved third-party appraiser.

Income Verification

- Salaried borrowers: last 30 days pay stubs and two years W-2.
- Self-employed borrowers: two years tax returns and profit/loss statement.
